1. Summary

The Professional Services organization is announcing the release of the Dynamic Data Center part number. This part number will be used for all custom consulting (CFFP) engagements related to this solution area.

2. What's New?

This part number has been created to more easily identify service engagement activity related to the Dynamic Data Center initiative and to capture the full scope of the customer solution. It will be available in the Quote Tool on May 28, 2009.

3. Sales Tools (Sales Guides, Training Presentations, SE Presentations)
