

Product Bulletin SANSscreen

Revision History

15 April 2008: Initial version

24 July 2008: Pricing FAQ added

Proprietary and confidential. Restricted to NetApp employees and channel partners, each of whom is under NDA obligations. This document may not be shared with customers without prior written permission from NetApp. © Copyright 2008 NetApp, Inc. All rights reserved.

This product bulletin informs NetApp sales and NetApp partners about new or changed NetApp® products or services.

1. Summary
2. What's New?
3. Sales Tools
4. Customer-Ready Tools
5. System Requirements
6. Product Information
7. Regulatory Compliance
8. Warranty and Service
9. Additional Information

1. Summary

The SANSscreen® product suite is now available for ordering. SANSscreen was added to the NetApp software product portfolio through the acquisition of Onaro in February. During Q4, SANSscreen could only be ordered through the Strategic Products Group SANSscreen sales team only. This product bulletin announces availability of SANSscreen through CustomerEdge and PartnerEdge.

2. What's New?

Availability through CustomerEdge and PartnerEdge. Rebranding to NetApp.

3. Sales Tools (Sales Guides, Training Presentations, SE Presentations)

To support SANSscreen, there is significant material, including:

- Customer-facing presentations
- ROI models
- Case studies
- Rep success stories

4. Customer-Ready Tools (Customer Presentations, Data Sheets)

To support SANSscreen, there is significant material, including:

- Customer-facing presentations
- ROI models
- Case studies

- Rep success stories
- Data sheets

5. System Requirements

Refer to the NOW™ (NetApp on the Web) site for [supported platforms and compatibility matrix](#). SANscreen runs on a single Windows® server and supports hardware from all the major tier 1 switch and array vendors.

6. Product Information

The SANscreen product family is composed of the following products:

Service Insight
Service Assurance
Application Insight
Capacity Manager
VM Insight

7. Regulatory Compliance

Products need to be validated against the NetApp Safety/EMI Regulatory Compliance List prior to order submission. This is required to ensure that products are being sold only in the countries in which NetApp has received regulatory compliance certification.

8. Warranty and Service

Standard software warranty and services apply.

9. Additional Information

Contact information: Please contact your NetApp sales or channel partner representative with questions concerning this bulletin.
