1. Summary

NetApp has released a new 5m SFP-to-SFP optical cable. This cable is a storage shelf interconnect for systems operating at 4Gb or less.

2. What's New?

The new X6556-R6 optical cable is the follow-on to the older X6532-R6 copper cable, which only supports 3m length shelf-to-shelf connections in systems operating at 2Gb or less. The new optical cable increases length from 3m to 5m and increases the maximum supported system speed from 2Gb to 4Gb.

3. Sales Tools (Sales Guides, Training Presentations, SE Presentations)

None available at this time.

4. Customer-Ready Tools (Customer Presentations, Datasheets)

None available at this time.

5. System Requirements

See section 2

6. Product Information

Part Number	Description	Discount Category Code
X6556-R6	Cable,Patch,Optical,LC/LC,SFPs,5M,R6	B
X6556-R6-C	Cable,Patch,Optical,LC/LC,SFPs,5M,-C,R6	B

Quoting

X6556-R6 can be ordered through Add Parts in eConfigurator.

X6556-R6-C will be automatically added to system configurations when two or more cabinets are requested.

7. Regulatory Compliance

Products need to be validated against the NetApp Safety/EMI Regulatory Compliance List prior to order submission. This is required to ensure that products are being sold only in the countries in which NetApp has received regulatory compliance certification.

8. Warranty and Service

Standard hardware warranty and services apply.

9. Additional Information

Contact Information: Please contact your NetApp sales or channel partner representative with questions concerning this bulletin.
