PyQt COMMERCIAL LICENSE AGREEMENT
Agreement version 3.6

IMPORTANT-READ CAREFULLY:

1. This Riverbank End-User License Agreement ("Agreement") is a legal agreement between you (either an individual or a legal entity) ("Licensee") and Riverbank Computing Limited ("Riverbank") for the Riverbank software product(s) accompanying this Agreement, which include(s) computer software and may include "online" or electronic documentation, associated media, and printed materials, including the source code, example programs and the documentation ("Licensed Software").

2. The Licensed Software is protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties. The Licensed Software is licensed, not sold.

3. The Licensed Software includes a file ("License File") containing, amongst other things, information identifying the Licensee with the Licensed Software. The Licensee must not modify the contents of the License File in any way nor to remove the License File from the Licensed Software's build process.

4. By installing, copying, or otherwise using the Licensed Software, Licensee agrees to be bound by the terms of this Agreement. If Licensee does not agree to the terms of this Agreement, Licensee may not install, copy, or otherwise use the Licensed Software. Licensee may, however, return it to Licensee's place of purchase within 14 days of purchase for a full refund. In addition, by installing, copying, or otherwise using any updates or other components of the Licensed Software that Licensee receives separately as part of the Licensed Software ("Updates"), Licensee agrees to be bound by any additional license terms that accompany such Updates, if any. If Licensee does not agree to the additional license terms that accompany such Updates, Licensee may not install, copy, or otherwise use such Updates.

5. Upon Licensee's acceptance of the terms and conditions of this Agreement, Riverbank grants Licensee the right to use the Licensed Software in the manner provided below.

6. Riverbank grants to Licensee a non-exclusive, non-transferable, perpetual license to make, use and modify copies of the Licensed Software for the maximum number of individuals within Licensee's organization ("User"(s)) specified in the License File for the sole purposes of designing, developing, and testing Licensee's software product(s), which may include the Licensed Software ("Applications"). Modified Licensed Software shall be considered as Licensed Software for the purposes of this Agreement.

7. Licensee may install copies of the Licensed Software on an unlimited number of computers provided that the number of Users using the Licensed Software is not exceeded.

8. Verification: Riverbank or a certified auditor on Riverbank's behalf, may, upon its reasonable request and at its expense, audit Licensee with respect to the use of the Licensed Software. Such audit may be conducted by mail, electronic means or through an in-person visit to Licensee's place of business. Any such in-person audit shall be conducted during regular business hours at Licensee's facilities and shall not unreasonably interfere with Licensee's business activities. Riverbank will not remove, copy, or redistribute any electronic material during the course of an audit. Licensee does not implicitly grant Riverbank any form of license agreement. If an audit reveals that Licensee is using the Licensed Software in a way that is in material violation of the terms of the Agreement, then Licensee shall pay Riverbank's reasonable costs of conducting the audit. In the case of a material violation, Licensee agrees to pay Riverbank any amounts owing that are attributable to the unauthorized use. In the alternative, Riverbank reserves the right, at Riverbank's sole option, to terminate the licenses for the Licensed Software.

GENERAL TERMS THAT APPLY TO APPLICATIONS AND REDISTRIBUTABLES

9. a) Riverbank grants Licensee a nonexclusive, perpetual, royalty-free right to reproduce and distribute the object code form of certain portions of the Licensed Software ("Redistributables"), as specified in Appendix 1, Section 1, for execution on any supported operating system. Copies of Redistributables may only be distributed with and for the sole purpose of executing Applications permitted under this Agreement that Licensee has created using the Licensed Software. Under no circumstances may any copies of Redistributables be distributed separately. This Agreement does not give Licensee any rights to distribute any of the parts of the Licensed Software listed in Appendix 1, Section 2, neither as a whole nor as parts or snippets of code.

b) Licensee may not distribute, transfer, assign or otherwise dispose of Redistributables, solely or as part of an Application, its source code, in binary/compiled form, or in any other form, if such action is part of a joint software and hardware distribution, except as set forth below or provided by a separate runtime distribution license with Riverbank or one of its authorized distributors. A joint hardware and software distribution shall be defined as either: (i) distribution of a hardware device that includes the Licensed Software; or (ii) distribution of the Licensed Software onto a device designed to facilitate the installation of the Licensed Software onto the same device and where the core functionality of the device will depend on the Licensed Software.

c) If the combination of the Licensed Software and hardware and/or software ("Product"), in the final working end-user configuration either (i) relies on Apple OS X (R) or Windows 98/ME/2000/2003/ XP/Vista (R) (however not including embedded versions of these, e.g XP Embedded) as an integral part of and foundation for its functionality; or (ii) is a workstation, server, desktop computer or notebook computer relying on a complete 3rd party desktop environment such as KDE or GNOME as an integral part of and foundation for its functionality; or (iii) requires a permanent mains power supply for normal operation; or (iv) does not lose core functionality when the Licensed Software is removed, then Licensee is hereby granted an exception from the requirement for a runtime distribution license agreement.

d) In all instances not covered above, Licensee shall contact Riverbank or one of Riverbank's authorized distributors to obtain a distribution license agreement.

10. The license granted in this Agreement for Licensee to create Applications and distribute them and the Redistributables (if any) to Licensee's customers is subject to all of the following conditions: (i) all copies of the Applications Licensee creates must bear a valid copyright notice, either Licensee's own or the copyright notice that

appears on the Licensed Software; (ii) Licensee may not remove or alter any copyright, trademark or other proprietary rights notice contained in any portion of the Licensed Software; (iii) Licensee shall not make any warranties in respect of the Redistributables on behalf of Riverbank, any such warranties shall be solely made by Licensee; (iv) Licensee will indemnify and hold Riverbank, its related companies and its suppliers, harmless from and against any claims or liabilities arising out of the use, reproduction or distribution of Applications, except where such claims that the Licensed Software or Redistributables, as delivered by Riverbank, infringe the intellectual property of a third party; (v) Applications must be developed using a licensed, registered copy of the Licensed Software; (vi) Applications must add primary and substantial functionality to the Licensed Software; (vii) Applications may not pass on functionality which in any way makes it possible for others to create software with the Licensed Software; (viii) Applications may not compete with the Licensed Software; (ix) Licensee may not use Riverbank's or any of its suppliers' names, logos, or trademarks to market Application(s), except to state that Application was developed using the Licensed Software.

11. Warranty Disclaimer: The Licensed Software is licensed to Licensee "as is". To the maximum extent permitted by applicable law, Riverbank on behalf of itself and its suppliers, disclaims all warranties and conditions, either express or implied, including, but not limited to, implied warranties of merchantability, fitness for a particular purpose, title and non-infringement with regard to the Licensed Software.

12. Limitation of Liability: If, Riverbank's warranty disclaimer notwithstanding, Riverbank is held liable to Licensee, whether in contract, tort or any other legal theory, based on the Licensed Software, Riverbank's entire liability to Licensee and Licensee's exclusive remedy shall be, at Riverbank's option, either (A) return of the price Licensee paid for the Licensed Software, or (B) repair or replacement of the Licensed Software, provided Licensee returns to Riverbank all copies of the Licensed Software as originally delivered to Licensee. Riverbank shall not under any circumstances be liable to Licensee based on failure of the Licensed Software if the failure resulted from accident, abuse or misapplication, nor shall Riverbank under any circumstances be liable for special damages, punitive or exemplary damages, damages for loss of profits or interruption of business or for loss or corruption of data. Any award of damages from Riverbank to Licensee shall not exceed the total amount Licensee has paid to Riverbank in connection with this Agreement.

13. Support and Updates: Licensee will be eligible to receive access to Updates to the Licensed Software ("Updates") for a period not to exceed one year from the date of initial delivery ("Initial Term"), in accordance with Riverbank's then current policies and procedures, if

any.

Such policies and procedures may be changed from time to time.

Following

the Initial Term, Riverbank will no longer make the Licensed Software available to Licensee unless Licensee purchases additional Updates according to section 14 below; however, Licensee's license to the previous versions of the Licensed Software for which Licensee has paid the applicable fees shall continue.

14. Renewal of Updates: Licensee may purchase additional Updates following the Initial Term at Riverbank's terms and conditions applicable at the time of renewal.

GENERAL PROVISIONS

15. Marketing: Riverbank may not include Licensee's company name and logo in a publicly available list of Riverbank customers unless Riverbank first obtains Licensee's written permission to do so.

16. Assignment: Neither party may assign any of its rights or obligations hereunder, whether by operation of law or otherwise, without the prior express written consent of the other party. Notwithstanding the foregoing, either party may assign this Agreement without consent of the other party in connection with a merger, acquisition, corporate reorganization, or sale of its assets. Any attempt by a party to assign its rights or obligations under this Agreement in breach of this Section shall be void and of no effect. Subject to the foregoing, this Agreement shall bind and inure to the benefit of the parties, their respective successors and permitted assigns.

17. Termination: Riverbank may terminate the Agreement at any time immediately upon written notice by Riverbank to Licensee if Licensee breaches this Agreement, fails to pay the fees for the Licensed Software, or infringes Riverbank's intellectual property in or to the Licensed Software. Upon termination of the Licenses, Licensee shall return to Riverbank all copies of Licensed Software that were supplied by Riverbank. All other copies of Licensed Software in the possession or control of Licensee must be erased or destroyed. An officer of Licensee must promptly deliver to Riverbank a written confirmation that this has occurred.

18. Clauses that survive termination: Sections 2, 6, 7, 8, 12, 19, 20 and 22 shall survive the termination of this Agreement, however Sections 6 and 7 shall not survive if the Agreement is terminated for cause.

19. Entire Agreement: This Agreement constitutes the complete agreement between the parties and supersedes all prior or contemporaneous

discussions, representations, and proposals, written or oral, with respect to the subject matters discussed herein. No modification of this

Agreement will be effective unless contained in a writing executed by an

authorized representative of each party. No term or condition contained in Licensee's purchase order will apply unless expressly accepted by Riverbank in writing. If any provision of the Agreement is found void or

unenforceable, the remainder will remain valid and enforceable according

to its terms. If any remedy provided is determined to have failed for its essential purpose, all limitations of liability and exclusions of damages set forth in this Agreement shall remain in effect.

20. Confidentiality: Each party acknowledges that during the term of this Agreement it will have access to information about the other party's business, business methods, business plans, customers, business relations, technology, and other information, including the terms of this Agreement, that is confidential and of great value to the other party, and the value of which would be significantly reduced if disclosed to third parties (the "Confidential Information").

Accordingly, when a party (the "Receiving Party") receives Confidential Information from another party (the "Disclosing Party"), the Receiving Party shall, and shall obligate its employees and agents to: (i) maintain the Confidential Information in strict confidence; (ii) not disclose the Confidential Information to a third party without the Disclosing Party's prior written approval; and (iii) not, directly or indirectly, use the Confidential Information for any purpose other than for exercising its rights and fulfilling its responsibilities pursuant to this Agreement. Each party shall take reasonable measures to protect the Confidential Information of the other party, which measures shall not be less than the measures taken by such party to protect its own confidential and proprietary information. "Confidential Information" shall not include information that (a) is or becomes generally known to the public through no act or omission of the Receiving Party; (b) was in

the Receiving Party's lawful possession prior to the disclosure hereunder and was not subject to limitations on disclosure or use; (c) is developed by the Receiving Party or by persons who have not had access to the Confidential Information of the Disclosing Party; (d) is lawfully disclosed to the Receiving Party without restrictions, by a third party not under an obligation of confidentiality; or (e) the Receiving Party is legally compelled to disclose the information, in which case the Receiving Party shall assert the privileged and confidential nature of the information and cooperate fully with the Disclosing Party to protect against and prevent disclosure of any Confidential Information and to limit the scope of disclosure and the dissemination of disclosed Confidential Information by all legally available means. The obligations of the Receiving Party under this Section shall continue during the Term and for a period of twelve (12) months after expiration or termination thereof; provided, however, that with respect to trade secret information, the obligations of the Receiving Party under this Section shall continue as long as such information remains a trade secret under applicable law.

21. Governing law, legal venue: This Agreement shall be construed,

interpreted and governed by the laws of England.

22. Riverbank reserves all rights not specifically granted in this Agreement.
